From the Principal

This week our school community has much to celebrate. The Discipline and Teaching and Learning Audit Reports will be received in our school in about five weeks time. However, the Auditors gave the staff verbal feedback regarding our performance across the 8 areas of the Teaching and Learning Audit and the 5 areas of the Discipline Audit. High and Outstanding levels were the outcomes!

Parents, students, volunteers, teachers and office staff were involved in discussions and observations with the Auditors.

Our teaching staff and students have worked hard to improve performance and these results reflect not only the effort, but also the focus and framework of all we do. Special mention was made of the school culture that promotes learning, a school where parents are valued and committed participants in their children’s education and our unique Parent Network.

Congratulations EJ – outstanding audits. Once the detail of the audits is available I will post them on our school website.

NAPLAN Results

On Monday, parents of Years 3, 5 and 7 students will receive the hard copies of the 2014 NAPLAN Results. Information is available for our school on line and we are very happy with the performance of our students. Again, once all information is available, I will be happy to share this with you.

We have already started to analyse the positive and the improvement areas of our performance. “There’s no rest for the wicked!!”

State Conference

This Thursday and Friday Susie, Fleur and I will attend the State wide Professional Development Network Conference on the Gold Coast. With international speakers from Malaysia, University of Melbourne, QUT and Griffith University and a focus on “Time to Think Differently about Leading for Improvement” we are looking forward to learning more on our journey to lead this school to provide ‘for every child, every opportunity for every success’.

Planning for 2015

Planning for next year has begun and the school is now accepting enrolment applications for students in Prep to Year 6. If you have siblings starting Prep in 2015 or know of any families in the catchment who have children they wish to enrol enrolment packages are available from the office or can be downloaded from the school website.

Also it would be useful if families who will be leaving EJ this year were to notify the Principal as soon as possible. There is a waiting list for our school and with vacancies we are able to attend to this in a timely fashion.

Josephine Bottrell  (Principal)
From the Deputy Principals

High Achievers

As part of the Brisbane City Cluster Academic Alliance, students from Eagle Junction State School have the opportunity to participate in the High Achievers Program at Kelvin Grove State College. This year, 44 students from Year 6 and 7 participated in the programs of excellence in: English, Drama, Science, ICT game development, Maths and JumpstART. On Wednesday 6 August, the High Achievers program culminated in a celebration evening. It was wonderful to attend the celebration evening to share the accomplishments of our students through this great opportunity. Thank you to the many parents who supported this program every week.

Young ICT Explorers

On Saturday 9 August, seven students from Year 5 participated in the annual Young ICT Explorer competition held at the University of Queensland. The students worked in teams to develop a project to improve an aspect of the school. The Pick-up Professional team designed a project to improve the use of the school pick up zone, by setting up a website and recording a series of video tutorials demonstrating how drivers and students can effectively and safely use the Pick-up Zone. The Handball Helper team recognised that the school needed a tool to help students understand the rules and techniques of handball. They developed a website which demonstrated the agreed rules and used video to demonstrate techniques.

Congratulations to Ella, Eloise, Ashleigh, Jacklyn, Gurushey, Nicholas and Daniel on your commitment and enthusiasm in participating in this competition. Thank you to Mr Williamson for facilitating the team’s participation in the competition, it was greatly appreciated by all involved.

News from the Chess Team

Thursday 7 August saw our Chess Team Rover Mercado, Aditya Anand and Kanak Relekar represent Eagle Junction State School at the North Brisbane Inter-School Chess tournament. The boys had a fantastic tournament and finished 1st in the A Grade division. In achieving this the boys made history as they are the first team to ever win a North Brisbane Inter-School division with only 3 players. This feat was largely due to Rover finishing 1st with a perfect 7 out of 7 games, Aditya finishing 3rd with 6 out of 7 and Kanak finishing 5th with 5 out of 7. Rover, Aditya and Kanak have been working all year to improve their Chess skill, including giving up their Tuesday nights to regularly attend the Northside Junior Chess Club. Congratulations to Rover, Aditya and Kanak for these amazing results.

Our success was revisited on Sunday. Four students represented Eagle Junction at the Somerville House Chess Tournament. Playing in the Novice Division the team of Rover Mercado, Elliott Dudgeon and Kanak Relekar finished 10th out of the 31 teams in their division. Playing in the Beginner division, Prep student Arya Srinivasan won 3 out of 6 games, which was a fantastic result as Arya was one of the youngest students competing. Well done to our mini strategists.

Date Claimer

The much-anticipated Eagle Junction State School Soiree will be held in October. The Music Subcommittee met last week to begin preparations for this year’s event. Please save the following dates –

Thursday 23 October for the Junior School (Prep-yr. 3) 6pm – 7pm
Thursday 30 October Senior School (yrs. 4-7) from 6pm – 7pm

We are looking forward to seeing EJ’s musical talent on stage.

Donations for the Soiree raffle will be gratefully accepted at the office.

Parent Reading Workshop

Following the successful evening workshop ‘Reading with children in Prep’ a second session will be offered to parents of Prep and Year 1 students –

When: Thursday 4 September
Time: 8.45am – 9.45am

To register you attendance please email – admin@eagljuncss.eq.edu.au
by the 1st September 2014
ICAS Testing Results – Computer Skills and Science

Preparing for Puberty, Family Planning Sessions – Years 6 & 7

The Preparing for Puberty family information session for Year 6 and 7 students and their parents/careers will be held on Tuesday 26 August, 6:30 – 8:00pm in the Resource and Information Centre. The cost is $15 per family.

Last year’s session was well attended and received very positive feedback. Please register your attendance for this session through the office. A separate session will be held for Year 5 students and their parents/careers in Term 4.

Susie Randel-Kneip and Fleur Provost

Library News

Bookweek is from 18-22 August. This year the theme is “Connect to Reading-Reading to Connect”. During Bookweek the CBCA shortlisted books will be on display in the Library. Students will have the opportunity to vote for the book they think will win the Childrens Book Council Award for 2014. Entry forms are available from the Library. One entry per student with a prize awarded on Assembly.

We would like to extend a very big THANK YOU to the fabulous volunteers who have given their time to help in the Library. We understand that your lives are very busy, so any time you are able to “lend a hand” be it shelving, covering or labelling resources is very much appreciated. We’re always glad to see you - drop in anytime!
**Sports Report**

**Track and Field Athletics:** EJ students represented the school well at the City District Track and Field Carnival held at Bowden Park on Monday 4 and Tuesday 5 August. EJ manage to finish a respectable third place overall at the conclusion of the carnival.

Congratulations to Cameron Dixon, Charlotte Gillespie, Abigale Houston, Keogh Lewis, Sophie Massey, Jackson Proper and Bella Separovich on their selection in the City District Track and Field Athletics team which will compete at the Metropolitan North Championships at the end of the month.

**Track and Field Singlet:** Just a reminder to all students who borrowed a Track and Field singlet, wash and return the singlet to Mr. Summers as soon as possible please.

**Swimming:** Good luck to Eloise Harvey and Georgia Kassman who have both qualified for State Swimming (Club level, Commercial) which will take place in a few weeks time. Eloise will be competing in Backstroke and Breaststroke events while Georgia will be competing in Backstroke events. Good luck to both girls.

*Mr. Mark Summers - Physical Education Teacher*

---

**GO – Guidance Officer**

**Stronger Relationships**

In July the Federal Government commenced a trial on a new program aimed at building stronger relationships in the Australian community. The Stronger Relationships trial runs for 12 months from 1 July 2014 and is open to all couples over the age of 18 years in a committed relationship. During the trial up to 100,000 committed couples will be able to access a $200 subsidy for relationship education and counselling services.

Couples can register for the trial at the Stronger Relationships website: Australian Government, Department of Social Services; www.dss.gov.au.

---

**Chappy’s Corner**

‘YOU CAN DO IT!’ - Persistence

In our ‘You Can Do It!’ program we are focussing on the Key of Persistence during Term 3. On our display board in E Block I have placed some reminders for our students to think about:

- **KEEP TRYING:** DON'T GIVE UP; Ask for HELP; Take A REST; Stay on TASK; TALK to a trusted adult; It doesn’t have to be perfect; and YOU CAN DO IT!

I hope that these little captions are encouraging and help to reinforce this important key.

I am here at EJ on Wednesdays and Fridays and if you would like to contact me please call our Reception staff on (07) 3637 1111

Chappy Jane

---

**Music News**

**Instrumental Music Recruiting for 2015**

Toward the end of Term 3, the Instrumental Music program will be commencing a process to select students for 2015.

The process is strict and follows recommended guidelines to help staff select the most suitable students and the instruments they will have the opportunity to play.

In 2015, positions will be offered to students in Years 3, 4 and 5 (current Years 2, 3 and 4). Year 3 students will be offered the opportunity to play a String Instrument and Years 4 and 5 students will be offered an opportunity to play brass, woodwind or percussion instruments as part of the band. Students are given one opportunity to play an instrument and cannot swap instruments unless it is a teacher guided decision. (ie String players cannot swap to a band instrument in Years 4 or 5).

The process involves: musical aptitude auditory testing; class teacher/admin/specialist feedback; information evening for parents and students; instrument trials and sizing, and; physical co-ordination testing.

*Paul Johnston (Instrumental Music Teacher)*
Last week PBE had their Newsletter article ready for us but we didn’t have a Newsletter because of the EKKA holiday. We’re not going to disappoint them – here it is today.

**Prep BE Memory Quilts**

The current unit in History focuses on students identifying familiar ways family and friends commemorate past events that are important to them and exploring the way in which stories of families and the past can be and have been communicated.

In Prep BE we have been investigating the memories that the children have of significant events in their lives. They have drawn pictures that reflect these memories and they have been compiled into a memory quilt for each child.

We have enjoyed sharing each other’s memories and understanding the significance of these memories in our lives.

---

**EJ Year 5 Teams selected to compete in “Young ICT Explorers” Competition**

On Saturday August 9, two Year Five teams represented Eagle Junction at the Young ICT Explorers competition. This national competition has been running for over four years and encourages primary and secondary aged students to work in teams to produce a project of their choice, based on Information and Communications Technology (ICT). Projects are assessed based on creativity, uniqueness, quality, level of difficulty and documentation. This was EJ’s first year in the competition and we were lucky enough to be invited to present their projects to judges at UQ on August 9.

Our two teams began work during Term Two to develop their projects, working both during school hours as well as at home. Congratulations to the teams and thanks to the parents for their support. We are looking forward to working on more exciting projects next year.

**Team 1 – Pick up Professionals (PUP)** - E. Craddock, E. Daly, A. Pomeroy, J. O’Brien

The PUP team selected a project to improve the use of the school pick up zone, by setting up a website and recording a series of video tutorials demonstrating how drivers and students can effectively and safely use the Pick up Zone.

The website is available to view [HERE](https://sites.google.com/site/pickupprofys/), or you can paste the URL into your browser:

---

**Team 2 – Handball Helper** - G. Deo, N. Jones, D. Cambridge

The Handball Helper team recognised that the school needed a tool to help students understand the rules and techniques of Handball, as this game is source of regular disputes during break time. They developed a website which stored the agreed rules and used video to demonstrate techniques.

Their video tutorials are available [HERE](http://goo.gl/T8c1iW) (Along with bloopers), or you can paste the url into your browser.

---
This term we have been introduced to the writing of a very famous author - Roald Dahl. First we listened to the story of 'George's Marvellous Medicine' which we enjoyed very much. We are now enjoying reading the famous story of 'The BFG.'

In Mathematics we have enjoyed learning more about numbers, measurement and transformations. We have tried really hard to construct precise, ruled shapes in our maths books and then we have slid them, flipped them and rotated them.

In History we are learning about sites in our local area which are of historical significance. Each of us will be delivering an oral language presentation about a local site of historical significance.

In Science this term, we are studying Biology, which is the study of living things. We know that there are three types of living things: plants, animals and micro-organisms.

In our classroom, we have been observing the lifecycles of a plant (a bean) and an animal (the mealworm.) We have magnifying glasses which enable us to have a close look at the development of the bean plant and the mealworm as each of them grows.

The mealworm undergoes a complete metamorphosis as it develops from the egg to the larval stage, to the pupal stage and finally as it emerges as a darkling beetle.

We are conducting experiments on some of the mealworms and some of the bean plants.

We have left one container of bean seeds in the light but have not watered them. We have worked out that seeds need moisture to soften their hard outer covering in order for them to germinate and then grow. We also put some seeds in a dark cupboard, but still watered them. We worked out that plants need light in order to make their own energy for growth.

We have left two containers of mealworms in the fridge. We expect that the mealworms in the fridge will not develop as quickly, because we know that mealworms require warmth in order to develop through their four stages of metamorphosis.

Below are some photos of us observing the life cycles of the bean plants and mealworms.
Vacancy – School Crossing Supervisor

A casual position exists for a School Crossing Supervisor.

The School Crossing Supervisor may be required to work up to 5 days per week in all weather conditions. The hours of work for the School Crossing supervisor are 1.5 hours a day and comprises 60 minutes in the morning and 30 minutes in the afternoon.

The current rate of pay is $26.90 per hour.

Commencement of work for the successful applicant is dependent on:

- The favourable outcome of a health assessment carried out by a Government Medical Officer.
- A positive Notice Blue Card (this means you do not need to have a blue card to apply for the position).

Completed applications should be returned to: Ros Prain 3637 1111

---

EAGLES NEST WEEKLY SPECIAL

- Mexican Fever (Qusadilla + Cookie) $4.00
- Cup of strawberries & Dollop of yoghurt $2.00

Birthday Time

We can provide ice-blocks or cupcakes for the whole class! Drop by or call us to find out more.

Kerri White

---

TARTAN TRADER

Opening Times

- Monday 8.00am to 9.15am
- Friday 8.00am to 9.15am

STOCK RUNOUT!! $5.00 RASHIES!!

Need a spare rashie or do you have an older brother or sister who needs one? We have an oversupply of rashies we need to sell. They are a few years old so we can't guarantee the SPF factor but they are still good quality.

- Navy body with Red, Yellow or Blue short sleeves.
- Mostly larger sizes available but there is also a limited number of smaller sizes.

Come and see us in the Tartan Trader and snap up a bargain before our new ones arrive and the price goes back up!

---

EJ SCHOOL BALL - Thursday September 11

Brisbane City Hall

Theme: VIP/Hall of Fame

Come as a famous or important person from the past or present

More information and flyer going home next week

If Year 6 or 7 students are interested in ordering a signature bear (40cms tall) or friendship bracelet in EJ colours with logo as a school memento, we are offering these as part of the fundraising for the senior yearbook.

A sample bear will be circulating in the Yr 6 and 7 classrooms or you can check out the large bear at www.schoolgifts.com.au/large-graduation-bear

We are offering a special deal for those who would like to order both (Cost is $20 for the bear, $12 for the Bracelet or $30 for both).

All the seniors will receive an order form this week for delivery in November.

Any Enquiries: Rita Bawden – 0417 731 437 or Jo Barrett – 0407034404

PARENT NETWORK

DROP OFF/PICK UP ZONE - IMPORTANT NOTICE**

An EJ mum, who is new to EJ received a parking ticket (I think around $220) and couldn’t work out why as she has never parked in Roseby Ave. It was because she was “standing” in the ”NO STANDING” RED zone at 3.00pm near the pedestrian crossing, waiting to move up in line.

When using the Pick-up/drop off zone, ensure that you only enter the pick-up zone in the area marked in 'GREEN' along the gutter after the supervised pedestrian crossing. Stay on the road until after the supervised pedestrian crossing. The reason for this is that cars coming in to the "no standing" red zone block the vision of the pedestrian crossing supervisor.

I spoke with one of the Crossing Supervisors who reported an unsafe incident last week caused by a car waiting to move up in the red zone just after the crossing. That area is on a slight incline and the car rolled back endangering children, before accelerating forward to move up in line.

We are looking at getting a new sign for our Supervisors to use. The sign reads something like "NO STOPPING, FINES MAY APPLY". I have attached a notice regarding the zone and some safety tips. I have added a few courtesy tips about alternating traffic from Armagh Street into Roseby Ave and always be polite and courteous to the Volunteer Pick up Zone supervisors etc.

Remember, if you need a family name sign for the car contact the office and they will organise one for you - 3637 1111.

Amanda Russell, Parent Network Co-ordinator
alrussell@westnet.com.au, 0459 401 255

Safety tips for drivers using a ‘Drop-off and Pick-up’ area
- Always drop-off or pick-up your child/ren from the designated GREEN area, following the school’s procedures
- Do not arrive prior to 2.50pm for the afternoon pickup zone – if you arrive before your children the zone will be very slow for everybody
- Drivers must remain in their vehicles at all times in the 'GREEN Drop-off and Pick-up' area
- Make sure children use the footpath-side door when getting in and out of the car.
- Make sure the hand brake is applied when the vehicle is stationery.
- Never Double Park.
- Never park or stop across or near the pedestrian crossing in the RED ZONE.
- Never undertake a U-turn in close proximity to the school.

Safety tips for students
- Stay buckled up until the vehicle has stopped in the ‘GREEN Drop-off and Pick-up’ area.
- Make sure your school bag and other items are in a safe position, eg on the floor.
- Be ready to get out of the car with your belongings when the car has stopped and you have unbuckled your seatbelt.
- Always get in and out of the backseat of the vehicle through the safety door- the rear footpath-inside door.
- Make sure you are listening for your name when using the afternoon zone.

Safety tips for volunteer supervisors
- Wear a conspicuous, identifying safety item such as a fluoro vet, sash or/or hat
- Assist students to exit and enter each vehicle in turn in the ‘Drop-off and Pick-up’ area, while remaining on the footpath.

Courtesy tip
- When entering Roseby Avenue from the LEFT off Armagh Street, please remember to alternate with the cars entering Roseby Ave from the RIGHT off Armagh Street.
- Move on from the GREEN pick up Zone when requested to by the VOLUNTEER SUPERVISORS. Remember this is a 2 minute pick up zone and infringement notices can also be given if this is not adhered to. Staying longer than the allowed time also affects the traffic flow of the zone behind you and jeopardises the SAFETY of the Zone.
- In the name of SAFETY, please follow the instructions given by VOLUNTEER SUPERVISORS.
- Clearly display your surname, using the laminated surname cards. Handwritten names are very hard to read through the windscreen.
- Contact the office on 3637 1111 if you require a new laminated family name card.
## Excursions/Activities

Semester 2 excursions and activities and Camps for Years 4 and 6 are being finalised and families will be receiving invoices and/or Statements for these events. To confirm your child’s participation please ensure all moneys outstanding are paid. Please phone the office (3637.1111) if you would like to discuss a payment plan.

Payment can be made by:
- Cash, cheque or credit card details to class teacher in sealed named envelope on Wednesdays & Thursdays
- BPAY – information on the foot of the invoice/statement. (Please note: BPAY payments will be credited against the oldest dated unpaid invoice of the family.)
- Direct deposit to school account – BSB 064-206 / account 00090196. Include family name in reference

---

**FATHER’S DAY STALL – THURSDAY 4 SEPTEMBER 2014**

REMINDER TO DROP IN YOUR FATHER’S DAY GIFTS ASAP. There is only 2 weeks left before we have to wrap them and the donations received to date are very slim 😞.

Ideas for donations but certainly not limited to these, can be along the lines of: sports drinks such as Gatorade/Powerade, chocolate, socks, stubby coolers, chocolate, coffee cups, shaving cream, tools, car products, fishing, sport, magazines, stationery, chocolate, Tim Tams and chocolate!

You or the kids can drop donations in the baskets up at Admin (Monday - Friday), at the Tuckshop (Wed-Friday) or in the baskets outside all the prep classrooms – including Prep G, under the Admin office (Monday - Friday). You can even drop them to us at 22 Keith Street, Clayfield or 12 Jackson Street if that is easier for you.

The stall will sell gifts ranging in price from $3 - $10.

If you are free on Thursday 4th September to volunteer to help on the stall and/or wrap on Monday 1st September please let us know.

**HUMBLE PIE DRIVE**

It’s that time of year again. Help EJ’s Year 6 & 7 students to raise funds for their graduation activities and gift to the School.

Humble Pies are made from all natural ingredients and come frozen for your convenience – great for a quick, easy and healthy winter meal!

Last week an **order form** was sent home with the youngest child in each family. For your convenience there is also an **order form** attached to this newsletter.

Payment options are by Cash, Cheque (made payable to EJ Uniform Shop), Visa or Mastercard.

**ORDER FORMS AND PAYMENT DETAILS ARE TO BE HANDED INTO THE SCHOOL OFFICE BY FRIDAY 22ND AUGUST, 2014.**

There is a box to place your forms and payment in.

You can collect your pies from the EJ Uniform Shop on **TUESDAY 9TH SEPTEMBER, 2014 FROM 2pm – 4pm.** If you are unable to collect on the day, please organize someone else to do this for you as we do not have the facilities to store any pies.

If you have any queries, please contact Tammy Bradley on 0400 795 563.

Thank you for your support!!
Support our Year 7 Graduation gift to the school with some scrumptious deals from the famous Humble Pie Company
