From the Principal

Reporting to Parents
This week I would like to discuss the End of Semester Report Card. I have previously written to you in Semester 1 regarding this.

Prep will have a report card that includes the Australian Curriculum and elements of the Early Learning Record (ELR). The report card for Years 1-7 will reflect the English, Maths, Science and History and Geography Syllabus of the Australian Curriculum as well as the Key Learning Areas of Technology, Study of Society and Environment, Music, Art and Health and Physical Education.

For parents who are new to our school, reports are distributed once per semester to record the academic performance of students as well as to report to you in the areas of behaviour and effort.

Understanding Achievement
What makes an ABCD or E is pre- determined by a scale of achievement. Teachers work diligently to prepare criteria sheets or assessment rubrics which are used to assess student work and often compare marking, as a form of moderation of student work, to ensure comparability between classes. Teachers use a variety of evidence to make their judgements about students’ performance.

A “C” or “SOUND” no longer means that the student is simply in the middle of the class. It means that the student has met the criteria or standard for a learner at the appropriate age level and at a particular time of the year.

“C” or “SOUND” would indicate that the student is doing everything required at their Year Level at school. The best description is to say that a “C” means that the student’s academic development is exactly where it needs to be. That means attaining a “C” for Achievement means you are ON TARGET for your age level and this time of the year.

Some students will find that they are allocated ratings outside of the ‘sound’ area. A few students will find that they don’t quite achieve these standards and may require support. Some students may demonstrate higher outcomes than indicated above and will be allocated ratings at their level of performance.

Teachers work conscientiously to prepare assessment tasks that give students the opportunity to demonstrate their knowledge, skills and understanding. Further information is also available inside the Report Card.

Congratulations
To Grace Jacobs who was one of 5 gymnasts in the Delta Gymnastics Level 4 team competing in the 2014 Australian Women’s National Club Gymnastics Championships. Competing on all 4 apparatus (Beam/Bars/Floor/Vault) the team placed Third in Australia.

PLANNING FOR 2015 SCHOOL YEAR
Please advise the school in writing (letter or email) if:
- Your child is not returning to EJ in 2015
- Your child is returning to EJ but will not be starting at the beginning of the school year on Tuesday, January 27
from The Principal (cont’d)

**Uniforms for 2015**
Thank you to Jayne Jones-Wilson and all the helpers in the uniform shop who have traded all year to assist our students and families. Please be mindful of the school shoe policy which states white short socks/EJ ankle socks to be worn with black school shoes or black joggers. Suitable navy blue sandals (covered toe) may be worn in summer months. Opening hours for the Uniform Shop are:

Some students have been choosing colourful shoes and laces as their preferred footwear. These are not the shoes outlined in the school policy. Please ensure as you shop over the holidays, that the school policy around footwear is your students’ choice.

**Awards Evening**
Our core business is teaching and learning and Tuesday 9 December we will celebrate our students’ achievements at the annual Awards Presentation Evening for Years 4 to 7. It will be conducted this year at Kedron SHS Hall, starting promptly at 7.00pm. Our Guest Speaker this year is Joshua Bourke, a past student of EJ and in 2015 a Year 12 student. I am sure you will enjoy his presentation as he welcomes the Year 6 and Year 7s to secondary school life.

At our Awards Evening, outstanding student achievement is recognised with cultural, sporting, citizenship and academic awards and the new school captains for 2015 presented. This is a formal school occasion. **Complete and correct school uniform should be worn by the students (this includes black shoes).** A rehearsal will be held during the day on Tuesday and a note will follow for your permission to travel by bus for that. Entertainment on the night will be provided by our talented Music and our Year 6 and 7 students.

**Staffing for 2015**
I am pleased to announce that next year our school will be joined by a few new members of staff; Katherine Gilhooley from Mundingburra in Townsville, Emma Hoek from Coen and Chloe Sellick from Tieri. All teachers come with a wide and varied experience and are very pleased to have been transferred to Eagle Junction State School.

I know you will welcome them to our community.

I am also pleased to advise that the Principal from Wooloowin State School and I met this week to interview shortlisted applicants from the 65 who applied for our joint position of Master Teacher. The appointment is still to be confirmed this Thursday and I will be able to make the announcement next week.

The District is still finalising staffing for 2015 and I am aware that we may still have some changes and additions to our staff. Currently our enrolments are at 830. Class lists will be available on Friday 23, 2015 the last Pupil Free Day before the start of the new school year. Please do not send in any requests for teachers as the time for this has expired.

**Ceramic Mural of 2013**
Yesterday I received a copy of Australian Ceramic Magazine, a national magazine published annually to recognise outstanding Australian ceramic artists and their work.

This year’s magazine featured the story of Stephanie Outridge-Field’s work with our school to create the ceramic mural in the Memorial Garden. Photos accompanying the article were those taken by Rozenn Leard, one of our EJ mums and Photographer Extraordinaire.

This photo shares our excitement at seeing the article published in such a creditable magazine.

**End of Year Activities**
As stated, at EJ our core business is teaching and learning. There is an expectation from Education Queensland that this remains our focus up to and including 12 December.

In consideration of the cultural and religious diversity of students in each class and different family circumstances, when devising learning activities in these last couple of weeks it has been decided that activities like Secret Santa or activities that include the exchange of valuable gifts amongst students is not to be encouraged.

On the last Thursday of the term, after the final assembly, which is held in Session 2, there is a scheduled time for a class lunch together.

This will be an opportunity for all students to celebrate together as a class and to share how they feel about each other’s friendship in a low key way. Information regarding the last week’s activities will be forwarded next week.
Lost Property

Over the next couple of weeks we will be having yet another big clean up. Could you please be mindful of lost property, of which there is much, at the pool and also outside the Schools Officer’s room located near the uniform clothing shop. All gear should be clearly labelled and checked each day to ensure it has been returned home.

Taking responsibility for personal belongings has been one of our focus areas of Organisation for this term.

Best wishes

*Josephine Bottrell (Principal)*

*Education in the Surf and Sand for Year 4*

This week our Year 4 students took their learning outdoors to Camp Currimundi on the banks of Lake Currimundi on the Sunshine Coast. In between the sand and the sea and some very exciting activities our years 4s have challenged their concept of ‘learning’ through exploration and fun. It has been a great opportunity to consolidate friendships and celebrate a successful year.

Our Year 4 campers arrive home this afternoon after 3 days of fun. The teachers have suggested they and the children may sleep very well tonight.

Happy campers indeed!

**Junior Choir perform at Clayfield Pre-Prep & Lyndhurst Early Learning**

The choir thoroughly enjoyed the opportunity to perform Christmas concerts for the local kindergartens (Clayfield Pre-Prep and Lyndhurst Early Learning) this week. We sang a variety of Christmas songs as well as several of our favourite songs for the year. We were also entertained with quite a few solo performances on the piano, recorder and violin by some of our very brave and talented students. What a marvellous way to finish off a successful and fun 2014!

Chappy’s Corner

Dear EJ Community

Though this is so difficult to say, I need to inform you all that I will be finishing up as your Chaplain at the end of this year. My husband and I will be moving back to Adelaide to enable me to give practical support to both our eldest son and his wife whose youngest child was diagnosed with a disability last year and to my Mother-in-Law who is now not well.

My time here at EJ has been just amazing and I will always hold you dear to my heart. I have tried my utmost to give encouragement and positive reinforcement to any and all I have met, to help our young people find a better way to deal with issues such as friendship difficulties, loneliness and anxiety, and to also provide support for our staff and you, our precious parents, when needed.

It has truly been a privilege to be your Chappy.

I wish for you all happiness, peace and success in all you do.

Planning for 2015
Is there anyone out there interested in running one of the stalls next year? We thought it might be easier for people to come forward and help if it is just one stall a year rather than the 3 stalls a year!!! It is an easy and enjoyable job done from home so if you work, particularly part time it might be something you could consider taking on.

I am also looking for someone with bookkeeping/accounting knowledge to be the Parent Network bookkeeper/accountant next year. This is a small job and does not take up much time. Please contact me if you think you may be able to help.
