From the Principal

Student Leaders’ Elections continue
This week elections for Student Council representatives from Years 4 to 6 have been the focus of student elections. Having to nominate, prepare and deliver an “election” speech is part of the process.

Our Library Monitors for 2015 have also been selected after completing an application for the position.

The Tec. Crew for 2015 are also sending their applications/completing training for their leadership positions.

Building leadership density amongst our students is something we believe has merit. It builds confidence and organisation skills. The roles challenge students to get along, develop persistence and resilience in the performance of their roles.

Student Leaders make great learners.

Student Leaders’ Induction
The Semester One Student Leaders’ Induction Ceremony will be conducted in the hall at 8.45am Thursday 5 March, 2015. All students will need to be at school on time for the first bell at 8.20am so we will be able to begin on time. We have some very special guests who will be joining us and all students from Year 3 to Year 6 will be attending. Space will be at a premium.

All students, Years 3 to 6, should be in full and complete school uniform. (Tartan shirt, white socks and black shoes). This is a formal school occasion.

Student Leaders presented with their badges of office that day include School Captains, Sports and Music Captains, Senior Leaders and Student Council representatives.

Library Monitors and Tec. Crew will receive their badges on 13 March at Friday Assembly at 8.35am.

Library Monitors 2015
Congratulations to the following students who have been selected as Library Monitors for 2015.

Year 4
Vani Aul Srividya Kariot Johnathan Munro
Kate Beavis Jack McBride Jasmine Neilson
Joe Chai

Year 5
Aditya Anand Yurina Matsuoka Aliana Scott
Tom Cameron Lily Mitchell Reah Sharma
Finn Carey Emma-Rose Neil Amelia Smith
Ellie Gillespie Ondine O’Chee Hudson Stein-Smith
Kavya Hilario Ramiya Ramanalingam Will Stuart
Titouan Lavender Grace Reilly Anya Tomley

Year 6

Make Every Day Count in 2015

Make 2015 the year when your child doesn’t miss a day of school or arrive late for school. Research shows that students who have good patterns of attendance are more likely to achieve at school. If students aren’t at school or don’t attend the whole day, they are missing valuable learning.

Parent Network

Thank you so very much to David and Michelle Pink who welcomed new and returning parents into their home last Friday evening. It was a really enjoyable night with lots of “networking” occurring for our P&C Association and its Parent Network.

Tenders for P&C Projects Close Today

Today at 12noon tenders for our P&C projects closed. I will be working with WIM Architects, the P&C architects and school project managers, and DET representatives to select the successful tenders for

- Construction of new tuckshop
- Modifications to pool entrance
- 3 outdoor play and learning spaces – 2 between A and B Blocks and the other, on the edge of the oval

We are all looking forward to these projects coming to fruition.

Josephine Bottrell (Principal)

From the Deputy Principals

Last week we looked at the importance of choosing a positive attitude to school, learning and oneself as a learner. This week we are focusing on “Being Organised” as a Critical learning Behaviour.

Why is being organised so important?

There are two areas of organisation in which students gradually develop their skills. The first is in physical organisation. Being prepared with everything I need to engage with the learning task. Time is lost and focus disappears when a child has to spend 5 minutes looking for their pencil, another five minutes getting it sharpened and then finding the right page in the right book ready to start. Some children are just starting when others are nearly finished. Frustrating for the child! Frustrating for the teacher!

How do you model and scaffold the development of physical organisation skills at home? A wall planner or calendar for family activities, a specific place for important notices, a shopping list or a weekly menu, talking through plans of how to get everyone to the right place at the right time and what everyone's responsibility is to make this happen! All of these are organizational strategies which children can learn about and understand. The goal and plans can become more complex as your child matures.

The second type of organisation is the organisation of thinking. Teachers teach these skills in all of the learning areas, by clearly defining a goal and setting out the steps for achieving the goal. Teachers model their thinking to students by talking aloud as they demonstrate a new concept. They scaffold students learning by ensuring that children's thinking skills develop in incremental steps, gradually releasing the responsibility to the child. They provide frameworks for thinking whether the task is writing a persuasive text, solving a mathematical problem or finding out something about our world.

For some home ideas for young students the following link may be useful.

For older students try

Have a great week!

Buffy Lavery and Susie Randel-Kneipp
High Impact Teaching

In line with our Improvement Agenda, our main area of focus this year is the consistent implementation of our Pedagogical Framework – *Teaching and Learning the EJ Way*, incorporating the use of High Impact Teaching.

*How will students understand what they are going to learn and know when they are successful?*

When teachers consider this question, High Impact Teaching guides their instruction. In order to prepare students for learning, the second step in the High Impact Teaching Sequence is to unpack the learning intention (what students will learn in the lesson) and success criteria (how the students will know when they are successful in the lesson).

‘If learners are to take more responsibility for their own learning, then they need to know what they are going to learn, how they will recognise when they have succeeded and why they should learn it in the first place.’

*(An Intro to Afl, Learning Unlimited, 2004)*

Teachers unpack the learning intention and success criteria by:

- identifying the curriculum intent - what students will be learning
- sharing the reason and purpose for learning, after activating students’ prior knowledge
- presenting the learning intention and success criteria in language that students can understand
- revisiting the learning intention throughout the activity/lesson

**An example learning intention and success criteria could be:**

**Learning Intention:** *We are learning to think about the images we ‘see’ as we read*

**Success Criteria:** *We will be successful when we can:*

- *think about what we ‘see’ as we read each section of the text*
- *tell our partner and teacher what we can ‘see’ after we have read each section of the text*
- *find words in the text that helped us ‘see’ the character/event as we read and tell other students about them*

**Reading**

This year, we continue our focus on improving student achievement in reading. Word decoding strategies help students to decode, pronounce and understand words. Some strategies to assist students to decode words include:

<table>
<thead>
<tr>
<th>Strategy</th>
<th>Prompt</th>
</tr>
</thead>
<tbody>
<tr>
<td>Connecting to a word you know</td>
<td>Think of the word that looks like the unfamiliar word.</td>
</tr>
<tr>
<td>Reread the sentence</td>
<td>Think about what word might make sense in the sentence. Try the word and see if the sentence makes sense.</td>
</tr>
</tbody>
</table>

**Fleur Provost (Head of Curriculum) and Michael Coad (Master Teacher)**

Sports Report

Lunch Time Swim Clubs
A select group of students have been invited to participate in a variety of swim clubs to be held during lunch times. If your child has been selected to participate then it is very important that students arrive on time to make the most of this opportunity.

Representative Swimming
Eagle Junction sent 38 students to represent the school at the City District Swimming Carnival. All students competed well and gained valuable experience competing against other talented swimmers from local schools.

From the carnival EJ had 10 students selected to represent City District at the upcoming Metropolitan North Championships to be held at Lawnton Swimming Pool on Wednesday 25th February. Congratulations to Phoebe Bradley, Eva Formosa-Kerr, Freya Caine, Lily Carrick, Ashleigh Pomeroy, Tomas Gregory, Ben Barter, Nicholas Jones, Lucas Hassall and Finlay Schuster on their selection in the City District Swimming Team.

Cross Country
Students in Years 3-6 who are looking for cross country practice - there will be sessions held on the School oval from approximately 7:45am – 8:20am on a Tuesday and Thursday morning. All students wishing to participate must wait on the seats next to the oval until the teacher in charge (Mrs Vander Velde) arrives.

Here is a suggested training program for students wishing to do extra practice at home. This thirty minute training session should be attempted three times during the week.

- 5min warm up / stretching
- 3min jog/1min walk repeated (aerobic / talk test)
- 5min warm down / stretching

Mark Summers (Physical Education Teacher)

Tennis Court Hire – Weekend Only
Our system for using the school tennis court will apply again this year. A new lock will be put on the gate and families with children at this school will be able to obtain a key to the court for $100.00. An extra fee of $10.00 will apply for a key deposit, refundable on return of the key.

Priority bookings, using the form below and enclosing payment, must be delivered to the school office by 11.00am, Friday, 20 February 2015.

Payment must accompany booking requests.

Tennis Court Booking Form – Please indicate preferences 1st, 2nd, 3rd, 4th and return to school office.

We welcome our Year 6 students to the Eagles Nest, who kindly volunteer during first and second break to help with over the counter sales. They do a wonderful job!

Munch Monitor online ordering system is going from strength to strength! Thank you to everyone that has contacted me with such positive feedback.

Please note – unfortunately the Eagle’s Nest is unable to store ice blocks bought from home in our freezer.

Parent Network
Welcome Parent Evening
Thank you to everyone who was able to make it to the Parent Network Drinks last Friday night. It was a terrific night and everyone enjoyed meeting new families and catching up with old.

A big thank you to Michelle & David Pink for hosting the evening and all the effort you went to make it the success it was. Thank you also to the families who provided the food, absolutely delicious and very much appreciated.

HOW TO USE THE LOADING ZONE

Your passenger pickup zone / 2 minute zone allows for the quick pick up of children during congested peak school "let out" times.

THE CONCEPT
- Vehicles move slowly along the loading zone towards the front of the queue
- Children see the vehicle and are ready to get in
- The vehicle can be stationary for a maximum of two minutes only
- Motorists "give each other a fair go"

RESPECT THE TIMING
- Do not stop for more than two (2) minutes
- Do not park in the zone and walk away from the car

PICKING UP AND LOADING BAGS
- Plan your arrival time. Does it have to be before students are released from class?
- Do you have older children? Could you ask them to be ready and waiting 15 minutes after school gets out?
- You can get out of the vehicle only to assist the children to load bags
- If your child is not waiting please drive away and return to the queue or park legally and walk to collect them
- Never double park to pick up children – it is illegal and dangerous

www.roadsafety.qld.gov.au
1300 360 135

- All children are expected to enter or leave a vehicle on the footpath side of the vehicle. Using the roadside door of a vehicle increases risks.

- All parents not using the provided 2 minute zone are requested to respect the neighbours driveways. Parking in or across driveways of neighbours is not appropriate.

- All parents walking children to and from school, even if parked outside the 2 minute zone should use the supervised crossings. Crossing behind or in front of parked vehicles makes visibility difficult.

- Pick up your “Look Out Registration” form from the office.
