STUDENT RELIGIOUS INSTRUCTION CONSENT FORM

Dear Parents / Guardians

At Eagle Junction State School we offer a Non-Denominational Christian Religious Instruction Program which provides combined instruction from Catholic, Anglican, Uniting Church, Baptist and Presbyterian denominations. The purpose of this program is for the participating students to:

- Access Christian teachings
- Have some understandings of the Christian faith
- Develop values and beliefs that support a Christian community

Baha’i Education Classes are also offered at Eagle Junction State School and focus on the unity of God, unity of the Messengers of God, unity of Humanity and the role our children can play in bringing about peace.

To include your child / children in one of the programs we would appreciate your support by returning the tear away form below.

Yours sincerely,

Josephine Bottrell
